Dear Mr. Greer:

I put off answering your letter until now as I thought I might have some interesting news from our league meeting. You may have heard it took place in Phila last Friday. Well I am sorry to say there is not any thing I can write that you will not possibly read in the papers. We did not even succeed in electing officers. Our meeting was adjourned with the vote for chairman three to three. I guess we will get together in Chicago at the joint meeting. I hope so.

Now about Savannah, the gentlemen in charge has assured me we can have the park to play exhibition games in however I will have to train at the fair grounds. I have a local man, Mr. Al. Roberts, 520 W. Henry St. seeing to that for me. I received a letter from him about three weeks ago, in which he said he was sure he could get it, but the president Mr. Wilkins asked him to wait until a little later as he did not want to let it out until the fair racing association had consented. He feels sure however that he will get that OK. I am writing him again at this time to see if any further progress has been made, and will let you know as soon as I hear from him again.

I want to come south the last week in March, and was hoping to play you the 1st Sunday in April in Jacksonville and the next Sunday in Savannah. We cannot make any final plans until the schedule is out. I am sure we will be able to plan these games in Chicago. I will no doubt try to stay in the south until we open. That wont be before the first Sunday in May and maybe the second.

I will appreciate you sending me a schedule as soon as they are released.

Kindest personal regards,

Very Truly Yours
